

## STORE CLOSED ALL DAY MONDAY, WASHINGTON'S BIRTHDAY

# NEW GOODS COMING IN FOR All Departments. Keep Your Eyes Open for Them

This good old fashioned phrase never had a greater significance given it, than when applied to the Copper Queen Store merchandise. It's a most satisfactory assurance in shopping at this store to know that every article is right. Right in quality and right in price. Each season finds this store a better store to shop in. Each season finds it better equipped to give best public service. Each season finds it more deserving of, and receiving a greater measure of public favor. Watch our windows and advertisements for announcements of new Spring merchandise, which comes tumbling in daily from all quarters of the globe.

### Women's Tailored Suits in the New Spring Styles

The advance guard of spring tailored suits now being shown in our spacious suit department on the second floor is attracting wide-spread attention.

Newness is the keynote of the entire exhibit. New models, new fabrics, new decorative ideas and colorings. Women who like to inform themselves of coming fashions by authoritative first glimpses at this Garment Store are enthusiastic over these spring suits in the new, soft colorings.

Coat styles are extremely long again in this season and fascinating in their simple graceful lines, buttons are prominent among the trimmings. The three piece styles (so-called) are also featured in this early showing.

In a word, these new arrivals have such an interesting and helpful fashion tale to tell that it is worth every woman's while to come and see them.

Prices seem very modest, considering the fine fabrics and perfect tailoring.

**\$30.00, \$35.00, \$40.00 and \$50.00**

### Spring Millinery first showing Tuesday 5, 6, 7.50 and up to 12.50

Tuesday morning the millinery section will give you a peep at some of the prettiest new hats. Specimens that will serve to keep you posted of the incoming spring fashions.

Upturned bowl and beehive shapes promise to enjoy a season of great popularity, while black jet trimmed styles are to be the less favored. Turbans are to be extensively worn also.

Bisbee women always look to this millinery store as authority on style and this advance showing (while not complete, by any means,) will inform you correctly and those who desire to purchase now can do so with a feeling that they are authoritative in every sense.

### New Taffeta Silk Petticoats came rustling in Friday

The petticoat section is overflowing with new goods. The excellent assortment is striking evidence of unusual preparation for spring business in this rapidly growing section.

Scarcely a shade is missing from the new line of plain colors and every spring suit can be matched to perfection.

Roman stripe, floral and Persian designs are also conspicuous in this new showing, while the values bespeak the success of our efforts to secure the co-operation of reliable makers in providing exceptional inducements that must surely prove a great attraction for our patrons at \$6.00, \$7.50, \$10.00, \$12.50 and \$15.00.

### Brass Beds \$27.50, best values Bisbee has ever known

Special attention is directed to this new Brass Bed at \$27.50. Heretofore we have not shown them at this low price. Has two inch posts well constructed, and is full size. Few homes should be without a brass bed when priced so little as this. Others up to \$100.00, with an entirely new assortment of styles at each in between price.

### New Wall Papers

New art wall papers. In connection with house furnishing, no task is more important, and none requires more study than the selection of wall papers. You live with the paper hangings of a room even more than the carpet. We are ready to suggest color treatments that will give individuality to any home, and yet not be too expensive. We're showing exclusive patterns in wall papers of high quality and peculiar richness of design.

Our wall paper expert will be glad to show you the scores of new patterns and offer valuable suggestions and ideas of entirely new decorations. We urge an early inspection of these recent consignments. Furniture Section. Second floor.

### New Yard Wide Percales

These sturdy, honorable cottons give perhaps the largest amount of satisfaction possible in a cotton dress. That is saying a great deal. Splendid for women and children's dresses and men's shirts. This new showing includes a variety of designs in light, medium and dark colorings, many with border effect. 12 1/2 and 15c yard.

**The Copper Queen Store**

BISBEE'S BIGGEST, BUSIEST AND BEST STORE

### Women's Spring Oxfords Ready

Women who appreciate what is correct in dress will be quick to take advantage of the opportunity afforded by our extensive display of new spring Oxfords to learn early in the season what styles will be most in vogue. The new shipments displayed last week for the first time show the new leathers, the new lines, the new lasts and the new strap effects. A goodly sprinkling of tans are among the showing as also patent and dull leathers. Individuality and exclusiveness are also important features. Prices are low, too, considering the quality, a strong point for which this shoe store is noted.

### New Drapery Materials in Great Variety

But just room enough for a mere hint here, because a half page could not begin to tell you of their beauty nor the extensiveness of the showing.

NEW SILKOLINES, 12 1/2 and 15c YARD.  
NEW DENIMS, 20c YARD.  
NEW SWISSES, 25c and 30c YARD.  
NEW CASEMENT CLOTHS, 25c YARD.  
NEW CRETONES, 10c AND UP.  
NEW MADRAS, 35 to 75c YARD.  
NEW SCRIMS, 15c YARD.

### Advance Spring Styles of Men's Suits Now on Display In the "Men's Store"

A few thoughts as to why our Clothing business is increasing. Everybody knows (or should know) that in spite of the bombastic claims made by many advertisers as to values and prices, that this "Men's Store" enjoys banner business the year round. Business today is not chance and a moment's thought will convince you there is some good reason for this continual progress.

One thing is this, we always give the maximum of value at a minimum price and that coupled with the products of the best clothes makers in the world has built us a great clothing business. You can easily imagine the satisfaction of choosing from the cream of the productions of several "best" makers, than to be restricted to choose from one manufacturing line.

You can come pretty near recognizing our clothes on a man as soon as you see them. When ever you meet our clothes you are impressed with the distinction of style, the elegance of finish and the correctness of fit. They're the highest type of Ready to Put On Garments and these advance numbers of Spring styles now on display are no exception to the rule for they have the snap and go to them that the particular man likes—Price range of this advance showing

### Stetson Hats—Spring Shapes and Colorings—Ready

If you want to know just what are the correct and approved Hat styles for Spring wear, the showing we make now will give you accurate information. The lines that set the styles and likewise set the pace for quality and becomingness are those that are revealed in our "Hat Store."

Stetsons, Knox and No Name Hats are the feature here. We especially desire to announce the arrival of all the new green shades. They deserve special mention for they are the original tones in fashionable circles for Spring and Summer wear.

### Women's Emb Hdk's \$1.50 doz

We have just received fifty dozen pure Linen Hand Embroidered Initial Handkerchiefs, which we offer at the special price of 15c or \$1.50 the dozen.

They are unlaundered and are values entirely out of the ordinary. Women have been snapping them up as soon as they see them, so for fear the quantity will not last long we advise those who have been waiting for them to make an early selection.

### Order by Mail

Out of town patrons may make use of our mail order department, knowing that orders will receive the personal attention of experienced shoppers. Satisfaction is guaranteed and when possible orders are filled and shipped the same day received. Samples of spring merchandise will be sent on request.

### JOTTINGS BY THE STORE REPORTER

A new line of 10c Dress Gingham will be on sale Tuesday morning.

An important sale of White Wash Walrus, coming! Watch for announcement.

Complete lines of Women's Onyx hosiery are now offered in the 50c, 65c and 85c grades.

Children's Ironclad Hosiery is ready in the new spring weights at popular prices.

The Grocery Section has an interesting display of Pure Foods in three of our large show windows.

## HOW STREETS OF CITY ARE TO BE BUILT

### Street Commissioner McCullough Tells of His Plans for Bisbee — Route of Tombstone Canyon Road

A representative of the Review recently made a trip over the city with P. J. McCullough, street commissioner, and had pointed out to him most of the many improvements which will be made with the \$125,000 recently voted by the citizens for the improvement of the streets. Here are some figures in connection with the work which will be of interest.

The total to be expended is \$125,000. Estimated time of completion, one year.

Average weekly pay roll during that time, \$1,900.

Total average number employed daily, estimated for the year, 150.

Total amount to be paid out for wages, \$60,000.

Average a month, paid out in wages, \$5,000.

These figures mean much to the business men of the city and to the idle men of the camp. An average of 150 men working steadily for a year, with most of the earnings to be spent for supplies and necessities of life, will help some. That, too, is something of \$125,000 which will be spent for an improved fire system, half of which will go for wages, the other half for material.

The original survey was by the Warren laundry over the present road, but owing to the hills necessary, which raised the bed of the creek above the adjoining land of property owners, the council two weeks ago decided to go on the south side of the creek.

Bisbee's street commissioner, P. J. McCullough, is taking a just pride in the work which is laid out before him. That he is able to do it well and at a minimum cost to the city is well known, because of his past achievements in that line. "Pat" says that the citizens of Bisbee will not know their town two years from now, and that it will always be a matter of pride to him that it was during his administration that the city was for the first time provided with an adequate system of streets.

The new concrete mixer, ordered by the city at the suggestion of the street commissioner, is now busy grinding out cement for the building of what will be known as O. K. street, and which has been known as O. K. trail. This is a project which has been discussed ever since the founding of the city, and one which it has been recognized at all times, was badly needed. This road will cost the city in the neighborhood of \$25,000. It will run from the front of the Review office to a point high up on the road of Youngblood Hill, half a mile distant. Among its other advantages it will enable the residents in that part of the city to reach the business section during the rainy season, when Brewery Gulch is a roaring torrent. The retaining wall necessary to hold this road along the hill will vary in height from eighteen to twenty-four feet. Men are at work on different sections now.

At the historic place, near the lumber yard in Brewery Gulch it is necessary to carry the trucks used in the fill for the concrete wall up a flight of stairs, while the sand is carried on the backs of burros. Such are some of the difficulties encountered by the street superintendent in his task.

Timber avenue will be widened, and a concrete wall will hold it from Opera Drive to Hunt avenue. Cannon avenue will be held by a retaining wall at the canyon place. This road was swept by the flood last summer, so such an extent that repairs alone cost the city \$500. The water way up Howell avenue will be separated from the avenue by a retaining wall. All along the high road, from W. H. Brophy's residence to the end of the road, there will be a retaining wall, while the surface will be leveled and widened sufficiently to allow teams to pass. This one retaining wall will be 2,000 feet in length. Maxwell avenue will be extended, widened and held by concrete walls, past the Hay residence to Castle rock, with a grade of seven per cent. This will be one of the most attractive drives in the camp, as it commands a view of the valley out beyond the lower end of Tombstone Canyon.

Route of Tombstone Canyon Road Through the courtesy of McCullough the Review is able to give the exact route which will be taken by the forty-foot road as its extension up the canyon. The preliminary work has already begun on this where it was left off last July, and will be continued until the road is completed to the city limits. The street commissioner says that this will be done by a date not later than the last of the present year, and that it may be completed in from thirty to sixty days less than that.

All along the route to be taken by the road, the houses are being set back where necessary, and shade trees taken up and reset, in order to give the right of way to the road. McCullough says there will be nothing to prevent the street cars going as far up the canyon as the Lincoln school house within six months. The route of the road will be as follows:

Beginning at Ruddy Doyle's, the present terminus of the road, the retaining walls confining the waterway and providing the roadway, will run through the Higgins ground on the south side of the canyon, through J. H. Jack's lumber yard, continue on the present roadway to a point east of the Warren laundry; thence around the south side of the creek and connect with the present roadway again by the Metz soda works; then

follow the present roadway up by the Lincoln school, and cross the creek at a point on the Labrador claim of the Bisbee-Naco Water company, then continue on the north side of the creek to the city limits.

The second of the series of games to be bowled between the Douglas and Bisbee Y. M. C. A. bowling teams was bowled last night at the local Y. M. C. A. and resulted in a victory for the Bisbee team by a score of 226 to 216. The high score of 177 was made by Mr. Welsh of Douglas.

The Douglas lineup was as follows: Delah, Iverson, Orison, De-manneche, Lottman. Bisbee lineup: Thomas, Azos, Berquist, Pat Jones and Pop Jones.

**SEVERE BLIZZARD**  
GRASS VALLEY, Cal., Feb. 20.—The worst snow storm of the winter is raging over this section today. Snow began to fall early this morning, driven by terrific wind, resembling a blizzard. The storm still continues, threatening to block traffic. In the mountains snow has been very heavy and reports coming in that snow is piling up in all directions.

Three players by the name of Jacobson will play in the third league this year. All three are pitchers, and will shoot the ball for Devorport, Decatur and Rock Island respectively.

**INDIAN BILL PASSED**  
WASHINGTON, Feb. 20.—The Indian appropriation bill occupied almost the entire time of the senate today and was passed with appropriations aggregating over \$9,000,000. Of this amount \$1,600,000 was added to the bill by senate amendments.

**WILL NOT AFFECT WAGES**  
PITTSBURGH, Feb. 20.—In regard to the situation in the steel trade, long distance phones between this city, New York and Youngstown were kept busy today by independent manufacturers. It is said by the first of the week more cuts will be announced in prices of iron and steel.

Concerning the report that wages of steel workers would probably be reduced on account of the "open market" arrangement it is said unofficially in steel and iron circles here that wages will not be affected.

It is believed, however, if the tariff reductions are large a cut in wages will follow immediately.

# Danderine

Grows Hair and we can

**PROVE IT!**

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:  
"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."  
Another from Newark, N. J.  
"I have been using Danderine regularly. When first started to use it I had very little hair, now I have the most beautiful and thick hair anyone would want to have."

**NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle**

Danderine enjoys a greater sale than any other hair preparation regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

**FREE** To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the  
**Cut This Out**  
**KNOWLTON DANDERINE CO., CHICAGO, ILL.**  
with their name and address and loc in all cities or stamps to pay postage.

### FAMOUS ART DISPLAY

A magnificent attraction in town is the magnificent collection of pictures which arrived yesterday at the Central school building. Miss Wilmer, the art teacher, has charge of the exhibit and expressed herself as delighted with the collection. Nearly two hundred copies are now on the spacious walls at the school building. They are all copies of masterpieces, many of great historic value, and every person interested in the schools should see this collection. There are no school funds provided for pictures or statuary, and they are secured only by notation. The fund received from the art display will go toward buying pictures and statuary for the Warren district schools. For this reason tickets will be sold. Adults 25 cents and children 10 cents.

The Egyptian exhibit is worth the price alone. On Washington's birthday the doors will be open from 2 to 5. Also Saturday afternoon at the same hour. On February 23, 24, 25 and 26 the display can be seen at any time. Persons holding tickets are entitled to view the collection at any time. There will be an interesting musical program at the building on Thursday and Friday evenings, when an opportunity will be given those who cannot attend at any other time.

**BOWLING TOURNAMENT**  
The second of the series of games to be bowled between the Douglas and Bisbee Y. M. C. A. bowling teams was bowled last night at the local Y. M. C. A. and resulted in a victory for the Bisbee team by a score of 226 to 216. The high score of 177 was made by Mr. Welsh of Douglas.

The Douglas lineup was as follows: Delah, Iverson, Orison, De-manneche, Lottman. Bisbee lineup: Thomas, Azos, Berquist, Pat Jones and Pop Jones.
